PRE EXISTING MEDICAL CONDITIONS

TRAVELLERS HEALTHCHECK: PH 00353 (0) 1 2247033

Your policy may not cover claims arising from your pre-existing health conditions so you need to tell us of anything you know that is likely to affect our acceptance of your cover.

Pre-existing health conditions - so that we can ensure you are provided with the best cover we can offer please read the following questions carefully:

- Have you, or anyone travelling with you, ever had treatment for:
 - any heart or circulatory condition,
 - a stroke or high blood pressure.
 - a breathing condition (such as asthma).
 - any type of cancer.
 - any type of diabetes
 - you are waiting for tests or treatment of any description
 - your doctor alters your regular prescribed medication
- In the last 2 years - have you, or anyone who is travelling with you, been treated for any serious or re-occurring medical condition, asked to take regular prescribed medication, or referred to a specialist or consultant at a hospital for tests, diagnosis or treatment?

If you have answered 'Yes' to any of the above questions we may be able to offer some cover and may be able to cover your health condition, although an increased premium may be required. To enable us to consider your health condition please contact the Referral Helpline quoting ITUWI40031.

We are unable to provide cover on psychological conditions such as stress, anxiety, depression, eating disorders, mental instability

Accurate and relevant information - You have a duty to take reasonable care to answer questions fully and accurately, and that any information you volunteer is not misleading. This applies both when you take the policy out and at any time during the policy period. If you do not do so, we reserve the right to void your policy from inception. In the event that it becomes necessary to do this, we will give you seven days' notice of cancellation of the policy by recorded delivery to you at your last known address.

Because an insurance policy can only provide cover in respect of accident, illness, loss or damage for an event/occurrence which is sudden, unforeseen and beyond your reasonable control, you must also tell us if you are aware of any circumstances at the time you purchase this insurance, or at any time afterwards, which could possibly result in you having to make a claim; otherwise you may not be covered. You can do this by calling +44 (0) 2920 474132.

We reserve the right to charge an additional premium, amend the policy terms, or decline to offer cover if we feel that the information you give us changes our assessment of the risk involved.

What will happen when you call Travellers Health Check

Our trained operators will ask you a few simple questions about your intended holiday and the medical condition. You will be advised as to whether your **Pre-existing Medical Condition** can be covered, whether there will be an additional premium to pay or any changes to the policy terms and conditions. This quotation is valid for 14 days from the date given.

If cover can be provided, you will be given an acceptance code and a letter will be sent to you upon receipt of payment, detailing the extension of cover. Please read this letter carefully and keep it with your insurance documents as it confirms the terms of the cover. Please note that cover is not effective until you are in receipt of this letter.

POLICY DOCUMENT

You should read this document carefully. It gives you full details of what is and is not covered and the conditions of the cover. Cover will vary from policy to policy and Insurer to Insurer.

CONDITIONS, EXCLUSIONS AND WARRANTIES

Conditions and exclusions will apply to individual sections of your policy while general exclusions and conditions will apply to the whole of your policy. It is a condition of this policy that all material facts must be disclosed to the Underwriter at the time of taking out this insurance. Failure to do so may result in the Underwriter's non-liability for claims.

PROPERTY CLAIMS

These claims are paid based on the value of the goods at the time you lose them and not on a 'new for old' or replacement cost basis. An allowance for wear, tear and depreciation will be deducted. Certain items of personal property are not covered.

PERSONAL LIABILITY

There is no cover for Personal Liability claims arising directly or indirectly from, happening through or in consequence of ownership, possession or use of any vehicle, automobile, aircraft, watercraft or any mechanically propelled conveyance.

POLICY LIMITS

All sections of your policy have limits on the amount the Insurer will pay under that section. There are also specific limits under the Personal Effects and Baggage section for: any **Single Item**; **Valuables**, items for which an original receipt, proof of purchase or an insurance valuation is not supplied; loss, theft or damage occurring on a beach or in or around a swimming pool.

POLICY EXCESSES

Under most sections of the policy, claims will be subject to an **Excess**. This means that you will be responsible for the first part of the claim. The amount you have to pay is the **Excess**.

REASONABLE CARE / UNATTENDED PROPERTY

You must exercise reasonable care to prevent illness, injury or loss or damage to your property, as if uninsured. There is no cover for property left unattended in a place to which the general public has access.

*There is no cover for loss of money which was not carried on the **Insured's** person unless placed in a safety deposit box or similar locked, fixed receptacle.*

GOVERNING LAW
