## Learning and Teaching

The Curriculum Area of Learning for Life and Work in Holy Cross College adopts a progressive approach to the teaching of its subjects from Year 8 right through to KS4 and beyond to the Post 16 enrichment programme.

Each subject is taught independently at KS3 and is therefore identifiable in its own right on timetables and in schemes of work as advised by CCEA. While at KS4, all pupils follow a common taught programme of learning in order to access the **KS4 Curriculum Statutory Requirements** for Citizenship, Employability and Personal Development.

## **Connected Learning**

The LLW Learning Area has strong links with the Guidance Team, the Pastoral Care Team, the Extended Schools Programme and the Business Studies Department within the College, with which it collaborates in organising special days or events to address particular aspects of the curriculum.

## **Qualifications**

As a Learning Area, we currently offer the following qualifications at **Key Stage 4** and **post-16** which contribute to the requirements of the **Entitlement Framework** and ensure that our pupils have access to a broad, balanced and relevant curriculum:

### **Key Stage 4**

**GCSE Learning for Life & Work**

**Level 2 Certificate in Preparation for Adult Life (GCSE Equivalent)**

**BTEC Level 2 Health and Social Care**

**GCSE Child Development**

**GCSE Home Economics: Food & Nutrition**

### **Post-16**

**GCE 'A' Level Home Economics**

**GCE 'A' Level Health and Social Care**

**BTEC Level 3 Children's Care Learning and Development**
